Rental vs. Purchase

Many parents enjoy the flexibility and affordable nature of our rental program. You may return the instrument at any time, exchange or upgrade as your child's needs change or apply your equity towards an instrument and receive an additional discount.

It's the buying power of a cash purchase with the flexibility of a no-risk rental program all in one!

Beginner & Intermediate Students Welcome

In addition to our huge stock of quality brand name student model instruments, we also offer upgrade instruments for experienced players. Our upgrade program allows parents to transfer equity and continue making low monthly payments toward the purchase of a professional-grade instrument.
